

[Chairman Dialogue]

The new hires getting to know NHF Group's Executive Chairman, Madam Kam Foong Keng during an open Chairman Dialogue session which took place on 3rd August 2022.

The Chairman Dialogue is a yearly engagement that aims to foster a closer and more engaging relationship between employees and the top management.

There are always interesting stories to share about the Group's history, culture and success, as well as learning more about our wonderful Executive Chairman's personal side.

It is something that the new hires are looking forward to taking part in.

Stay tuned for more internal engagement updates!

“We don't build a business. We build people and people build the business”
